

ISRAEL CAN'T SURVIVE WITHOUT MDA - MDA CAN'T SURVIVE WITHOUT YOU

The National & Montreal Board of Directors and Staff extend to our donors, families and friends a very Healthy and Happy

Shana Tova - 5772

Let us pray for peace in our beloved Israel - Am Y'Israel Chai

ROSH HASHANAH / FALL 2011/5772 • NATIONAL EDITION

Holiday greetings from Joseph Amzallag, National President

At Rosh Hashanah, Jews the world over pray for peace – peace at home, peace in Israel. With our prayers, we reaffirm our concerns for Israel. We pray that ramifications of the political instability in the Middle East will not affect Israel.

Your support is crucial. The needs of Magen David Adom have grown since 1930 when seven volunteers first established primitive facilities to treat victims of war, accidents and terrorism. Today, Magen David Adom is more than emergency vehicles. There is a constant need to replenish depleted medical supplies and equipment.

Israel depends on Magen David Adom and Magen David Adom depends on your generosity.

On behalf of my family, I wish you a Happy, Prosperous and Peaceful New Year. Shana Tova v'Metukah.

Joseph Amzallag, National President

Message de Joseph Amzallag, Président National

À Roch Hachana, les juifs du monde entier prient pour la paix, la paix dans leur pays et également la paix en Israël. À travers nos prières, nous réaffirmons nos préoccupations en ce qui concerne Israël. Nous prions également pour que les conséquences de l'instabilité politique actuelle au Proche-Orient n'affectent ce pays qui nous tient à coeur.

Votre soutien est crucial. Les besoins de Magen David Adom se sont accrus depuis 1930 lorsque sept volontaires furent les premiers à créer des facilités afin d'offrir des soins aux victimes de la guerre, des accidents et du terrorisme. Aujourd'hui Magen David Adom représente beaucoup plus que des ambulances. Il y a un besoin urgent et constant de remplacer le matériel médical usagé ainsi que l'équipement ancien.

Israël compte sur Magen David Adom et Magen David Adom compte à son tour sur votre générosité. Donner à Magen David Adom c'est faire un don pour sauver des vies humaines et également contribuer à la sécurité et au bien-être de notre cher État d'Israël tout en maintenant vivantes nos valeurs juives les plus sacrées dont celle du « Pikouah Nefesh ». La mission de Magen David c'est également notre mission où que nous soyons. Sachons, en ce temps de fêtes, nous montrer généreux.

Au nom de ma famille et en mon nom personnel, je vous souhaite une année pleine de bonheur en bonne santé et dans la paix. Chana Tova oumtouka.

Joseph Amzallag, Président National

"...and out of the Fierce – came forth Sweetness" (Judges 14:14)

A bright May 29, 2011 evening in Toronto welcomed 400 friends and supporters of Canadian Magen David Adom to a special gala of entertainment and fun – a Broadway musical revue celebration of Jewish life cycles, appropriately called 'TO LIFE'. The introductory MDA portion of this amazing event could not have taken place without the dedication, support and loyalty of the MDA Toronto Board.

Daniel Amzallag (first on the left), Israel's MDA Youth Volunteer Coordinator, commenced the evening with a

(L. to R.) MDA Youth Volunteer Coordinator Daniel Amzallag, MDA Toronto Board member Faith Weinberg, Israeli Paramedic Shira Applebaum Maresky, CMDA Toronto's Administrative Coordinator Iris Ehrent and MDA Toronto Board member Barbara Smuskowitz.

dedication to Israel's Life-Saving Heroes who risk their lives daily in order to save others. Their exceptional

story can be seen through an extraordinary documentary on the CMDA webpage at www.cmdai.org by clicking on the line: "Unsung Heroes in Action...". Daniel then called our attention to a special screening called "Five Minutes with MDA" (<http://is.gd/PyHti4>), introducing the audience to our honorary guest from Israel, Shira Applebaum Maresky (third from the left) – an amazing and fearless young Israeli Paramedic who was able to turn a personal tragedy in her life into a story of inspiration and strength serving as the driving force behind her daily dedication to saving lives in Israel.

CONTINUED ON PAGE 2

NEW LARGER MOBILE INTENSIVE CARE UNIT

Shown here is the new ambulance prototype that we hope to have built by the end of 2011.

Your collective financial support will make this a reality. The estimated cost is \$150-\$160,000.

MDA ISRAEL has been struggling to meet the growing medical demands of its patients by increasing the amount of sophisticated life-saving equipment on its Mobile Intensive Care Unit (MICU) vehicles. Space is at a premium in the present MICUs. DEMERS Ambulance, a Canadian supplier to MDA Israel, has proposed a new 'box' type MICU that will meet MDA's present and medium term requirements: more equipment space and more paramedic space to treat accident/trauma/cardiac victims.

DONATIONS FOR THIS PROJECT CAN BE MADE BY:

- Contacting your local CMDA Chapter; or
- On-line at www.cmdai.org; or
- Calling 1-800-731-2848 (toll free Canada), or;
- DONATIONS CAN BE DIRECTED to our on-line address at: www.canadaHelps.org

Let's keep MDA Israel at the forefront of pre-hospital care

CONTINUED FROM PAGE 1

Toronto Board Executive Barbara Smuskowitz (first on the right) then surprised the audience by introducing Shira who came out on stage and told her personal story of courage and inspiration to the captivated audience who gave her a standing ovation.

"I truly believe I am exactly where I belong" said Shira. "Never again do I want to face the helpless situation of someone needing my help without me being able to give it..."

Shira's amazing story of personal triumph over heart-breaking tragedy can be seen at: <http://is.gd/KHXVeZ>

Funds accumulated for this special evening were allocated towards the purchase of a brand new Life-Saving Intensive Care Ambulance gift for the People of Israel, from their loyal friends and supporters in Toronto, Canada. Le'Chaim !

On completing her Canadian tour, in cooperation with Canadian Magen David Adom and American Friends of Magen David Adom, Shira flew to Cleveland for an event planned by AFMDA. The Canadian Desk reported that the response to Shira's presence in Canada and Cleveland was greater than anticipated and we warmly thank Shira for all her assistance.

ISRAEL

Introducing Daniel Pollack, Director of the Canadian desk in Israel

the paramedics' school which I graduated from in February 2007. In addition, I participated in a dispatchers' course and completed my training as an EMS dispatcher. I have been qualified by the American Heart Association to serve as an Advanced Cardiac Life Support (ACLS) instructor. Part of my job as an instructor is to train nurses and doctors from different hospitals and medical centers in ACLS and Advanced Life Support CPR in accordance with the American Heart Association's ACLS training curriculum.

I have done many shifts in the Samaria region on bullet proof ambulances and in Intensive Care Units, and have responded to quite a few terrorist attacks – from suicide bombings to shooting attacks. On the positive and rewarding side, I have also delivered 14 babies.

Nowadays, I work as the Director of the Canadian Desk at the International Department of Magen David Adom. Some of my duties include arranging dedications and tours for donors, and guests, liaising with volunteer students in the Yochai Porat program, and providing statistics and activity reports of ambulances and scooters that are in service.

In addition, I continue doing shifts every week as a paramedic and at the Dispatching Center to keep up with my lifesaving profession and I am a third year law student at Ono Academic College in Kiryat Ono.

I invite you all to visit us at our facilities during your trips to Israel. Leshana habaa beYerushalyim habnuya!

Still in service...

MONTREAL

Pictured is the standard ambulance donated by Vera & Morty Gross and Family from Montreal in February, 2003. At that time, the ambulance was stationed in Carmel and today, is still in service.

Movie screening a success

(L-R): Miriam Kuropatwa, Rebeca Kuropatwa, Maya Papini-Pollack, Ami Bakerman, Ron East, Yolanda Papini-Pollack, David Matas, Shira Applebaum Maresky, and Daniel Ashrafi.

By Rebeca Kuropatwa

Winnipeg – Israeli MDA (Magen David Adom) paramedic, Shira Applebaum Maresky, shared her story on the evening of June 2, kicking off the Winnipeg chapter of CMDA's movie screening of "Iranium" and panel discussion.

"On September 9, 2003, I was doing last minute preparations for my sister's wedding the next day," said Maresky. "My father and sister had gone to a coffee shop. Suddenly, I heard a blast and seconds later, the sirens. That dreadful evening when I lost them both plays in my head daily and I decided to devote my life to saving lives. Working as a paramedic is all about miracles. They keep me and all the MDA family excited and passionate about coming to work everyday."

Event MC and panel moderator, Ron East, added, "The work MDA does is righteous work. To me, there's no better calling than saving a life."

After the film screening, a panel discussion and question-and-answer period concluded the event, with panellists, Iranian-born Daniel Ashrafi, senior legal counsel for B'nai Brith Canada David Matas, and Iran researcher Allan Wise.

Belle Millo of the Jewish Heritage Centre for Western Canada (JHCWC) presented Maresky with a "thank you" gift on behalf of the JHCWC, a book, edited by Millo, on local Holocaust survivors.

The event was attended by close to 100 people of all ages and backgrounds, lending more insight to the subject matter of Iran's nuclear capability and broadening people's awareness about the work done in Israel and around the world by Magen David Adom ■

A Man for All Seasons

Gerald Berley, CMDA Toronto Honorary Board Executive and Ambulance Chairman, recently celebrated his 90th Birthday and 50th Anniversary of dedicated devotion to Magen David Adom and the People of Israel. Tireless and ever-energetic, Gerald's loyalty serves as an inspiration to everyone around him. Best wishes and continued good health alongside your devoted wife Sybil for many years to come.

Volunteers from Canada in Magen David Adom

Representatives of the Canadian desk in the International Department toured the different stations to visit overseas volunteers who are currently volunteering in Israel.

Two groups from different provinces in Canada, one of which consists of 23 volunteers and the second which consists of 26 volunteers, arrived within a short time of each other to participate in the Magen David Adom "Yochai Porat" Overseas Volunteer Program.

Canadian friends of Magen David Adom together with the Canadian desk are developing projects for recruiting new candidates for the program and for generating PR for Magen David Adom.

We were told by the Canadian desk that another large group of Canadians will be participating in a course that will begin in the near future.

Nadav Newman from Toronto visits the NMDC.

TORONTO

Greenberg MICU dedication

By Daniel Pollack

The Greenberg dedication took place in June at the Tel Aviv station. Mr. Greenberg mentioned on our way to the station that he never got to see the Greenberg ambulance which he had donated back in 2003 and that the last time he had been in Israel was 33 years ago... I made a promise to him to show him an "equivalent" ambulance to somewhat "simulate" the way his ambulance looked like.

Once we arrived at the station, I took him and his family towards an ambulance which was parked up front while saying that the ambulance up ahead is of the same model as the Greenberg ambulance. As we approached the driver's door (which I had covered in advance with the dedication flag...) I told him that

the inscription on the door is the "Greenberg inscription" and that actually the ambulance which he and his family are staring at – is in fact his original ambulance from 2003 and that it is still in active service!

Stephen and his brother unveiled the inscription. Then we all hopped into the back cabin to explore the ambulance and equipment from the inside.

After signing the flag, Stephen asked to show his family an equivalent of the brand new MICU which he had just recently donated and that hasn't arrived yet in Israel. I took them to the Dan 22 Vancouver MICU, the kids and Stephen's sister-in-law hopped in and were really impressed. Later, we walked into the Regional Dispatching Center, where they witnessed the real

emergency calls being received and treated by the operators.

At the end of the visit, we joined the Overseas Volunteer Program who gathered all together at the Tel Aviv station for a "graduation ceremony". The group who had just finished their term in the project consisted of 23

Canadians. Stephen and his family heard the story of a Montréaler who talked about his experience in the program – the way he got to see the real Israel life while saving lives in Israel in comparison to an average tourist driving around Israel in a tour bus. ■

Dimona Perlstein dedication

The Dimona Perlstein MICU which took place in April in Modi'in

Kiryat Mozkin Perlstein dedication

The Kiryat Mozkin Perlstein MICU Dedication also took place in April

Dr. Corenblum flanked by many members of our board (L. – R.) Toby Friedman, Debbie Halpern, Fanny Wedro, Nava Wainer, Sam Wainer, Dr. Bernie Corenblum, Suzi Dil, Elissa Meadow and Hanoch Toren.

Campaign launch

MDA Calgary's lecture and campaign launch raised funds to replenish the supplies used in the Carmel forest fires. Dr. Bernie Corenblum gave a most informative lecture on the role of Hormones and Aging: Menopause/Andropause.

Rock 'n' rolling good time

LONDON

Mike Tobin and The Only Living Boys performed at a very successful event. Proceeds enabled the London Chapter to purchase two computerized Blood Shaker and Scale machines.

(L. – R.) Mike Tobin on saxophone, Mike Walther on guitar, Ben Weigensberg on drums, and Zach Bines on bass.

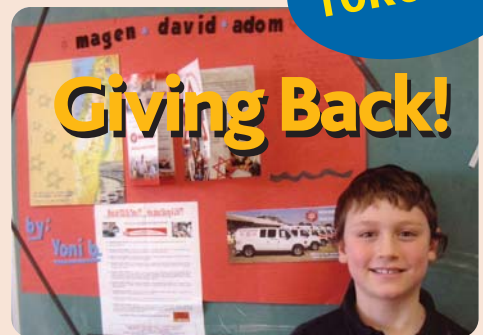

In honour of the 90th birthday of Ursula Miller, friends and family purchased a Life Saving Trauma Kit and an Oxygen Cylinder.

In honour of Milton Moses' special birthday, friends and family purchased an Oxygen Cylinder and Chest Drainage Kit.

TORONTO

My name is Yoni and I attend Netivot HaTorah. My charity is Magen David Adom.

I am a Grade 4 student and

we do a program called Project "Give Back." I chose your charity because it touched my heart. Both my parents are doctors, so I chose you, and a few years ago, my dad, Dr. Bean, raised a lot of money for you.

In my activity I did a word scramble. It had ten words and one of them was medical assistance (demical sassicante).

I did this with my good friend, Ezra. Enclosed in this envelope are pictures of my lesson and a cheque for Magen David Adom. I made a fantastic poster and I hope you continue helping sick people. Thank you.

Yoni Bean, Thornhill, ON

MONTREAL

A sight to see!

Dr. Irving and Carol Burstein visited Israel in May and were provided with a tour of the ambulance they had donated which has been in service since January 2008.

As of June 15th, 2011, this ambulance has responded to 4627 medical emergencies.

VANCOUVER

B.C. Ambulance Service & Beyond

(R.) Shira Applebaum Maresky, (C) Brian Croston and colleague.

Shira Applebaum Maresky's second stop was Vancouver. The CMDA Vancouver Chapter arranged for Shira to visit the Vancouver Hebrew Academy and the Shalhevet Orthodox School for Girls where she addressed the students. The major event in Vancouver was a crowd of Christians and Jews who gathered all together to hear Shira speak at the Ohel Ya'akov Community Kollel of Vancouver. Following her speech, Rabbi Shmuel Yeshayahu paid tribute to Shira with a D'var Torah.

Shira Applebaum Maresky and Chapter member Dan Levinson.

Earlier in the day, Shira gave her presentation to a very attentive and appreciative audience at a Senior's Lunch held at Temple Sholom

Following her presentation, several of the seniors were eager to ask questions and to come up and meet her on a one-to-one basis. This wonderful group of seniors certainly showed a great deal of interest and affection for Shira, making her time speaking to them

certainly very worthwhile . During the morning of her last day in Vancouver, MDA paramedic, Shira Applebaum Maresky and Dan Levinson, a member of the CMDA Vancouver chapter, were hosted by Brian Croston and a colleague from the British Columbia Ambulance Service at the Lions Bay ambulance station. Brian, who is familiar with MDA's life-saving operations, provided a hands-on tour of the vehicle he works on.

Raphael MICU dedication

On Sunday April 7th, 2011 the Maurice Myer Raphael MICU dedication took place at the Modi'in station. The family had arranged for a friend of theirs to perform as a clown for the children during the ceremony. Adina, the clown, had dressed up with a MDA Paramedic vest and talked to the children about MDA activities. Later, she took the children into the MICU and sat with them while Lital, the paramedic supervisor for the Modi'in Station, presented the different life saving equipment.

Howard and Angela Green holding up a photo of Maurice "Mossy" Raphael, who was recently honoured by MDA at Vancouver's Louis Brier Home for his posthumous donation.

Shira Applebaum Maresky, 7th from left, with students at the Shalhevet Orthodox School for Girls.

Cold morning, warm dedication

MONTREAL

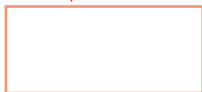

On a cold morning in April, friends and family celebrated at the dedication of an ambulance generously donated by Willie Yeger. Standing from left to right, Michael Rozenek, Secretary, CMDA National Board, Willie Yeger, and Arnold Rosner, CMDA National Executive Director. The ambulance is stationed in Herzliyah.

YM-YWHA Wolf Pack's ninth & tenth ambulances

On Sunday, May 29th, 2011, Wolf Bronet, CMDA's Honorary Ambassador-at-Large, and the Wolf Pack of the YM-YWHA were honored at the dedication of ambulances 9 and 10. Joseph Bitton, CMDA First Vice-President acknowledged Wolf and the Wolf Pack, "Your perseverance and drive have culminated in making this a reality."
