Holiday greetings from Michael I. Levine, National President

A story of light versus darkness, of love versus hate, Chanukah is a celebration of the triumph of light and love in this classic struggle.

In creating and building the institutions, structures, and community services that were closed to us, and making them available, unrestricted, to the entire populations where we lived, the Jewish communities of the world responded to violence and hatred with love.

Creating the State of Israel was no exception. In 1948 when the Declaration of Independence was declared and read by David Ben-Gurion, Magen David Adom had already been operating in Palestine for 18 years. Please join us in this new year, 2020, as we will celebrate the 90th anniversary of the lifesaving efforts of Magen David Adom in Israel.

As the Canadian diaspora, we literally hold in our hands and care for the blood of the people of Israel. Much of our support goes to the collection, screening and distribution of blood, as well as our world class National Blood Centre now being built underground.

Israelis welcome us into their homeland and invite us to share, participate, and stand together with them, in the land they sacrificed so much for, and continue to sacrifice for every day!

We take this opportunity to thank all the People of Israel for giving us, the diaspora in Canada and around the world, the honour of giving and supporting the one place on earth that defines our identity and our very existence.

**In supporting Magen David Adom, we hold the blood of Israel in our hands!
We have their backs! We have their love and we give them ours in return!**

Message de souhaits de la part de Michael I. Levine, Président National

Histoire de lumière plutôt que de ténèbres, d'amour plutôt que de haine, Hanoucca est la célébration du triomphe de la lumière et de l'amour au sein de cet antagonisme classique.

En créant et en bâtissant les institutions, les structures et les services communautaires qui nous étaient fermés, et en les rendant disponibles et libres de toute restriction pour les populations entières des endroits où nous vivions, les communautés juives du monde ont répondu à la violence et à la haine par de l'amour. La création de l'État d'Israël n'y a pas fait exception. En 1948, quand la Déclaration d'indépendance a été lue par David Ben-Gurion, Magen David Adom exerçait déjà ses activités en Palestine depuis dix-huit ans. Joignez-vous à nous en cette nouvelle année, 2020, alors que nous célébrerons le 90^e anniversaire des efforts de Magen David Adom visant à sauver des vies en Israël.

À titre de diaspora canadienne, nous tenons littéralement entre nos mains le sang du peuple d'Israël et nous en prenons soin. Une grande partie de notre soutien est consacrée au prélèvement, au dépistage et à la distribution de sang, ainsi qu'à notre Centre national de transfusion de classe mondiale qui est maintenant en construction sous terre. Les Israéliens nous ont accueillis dans leur patrie et nous ont invités à partager, participer et à nous tenir à leurs côtés eux dans le pays pour lequel ils ont fait tant de sacrifices et continuent d'en faire tous les jours !

Nous saisissons cette occasion pour remercier tout le peuple d'Israël de nous avoir donné, à nous la diaspora du Canada et à celle de partout au monde, l'honneur de donner et d'offrir notre soutien au seul endroit sur terre qui définit notre identité et notre existence même.

En appuyant Magen David Adom, nous tenons le sang d'Israël entre nos mains et nous devons défendre les intérêts des Israéliens! Nous recevons leur amour et nous leur donnons le nôtre en échange!

Michael I. Levine, National President / président national

THE STATE OF ISRAEL DEPENDS ON MAGEN DAVID ADOM. MAGEN DAVID ADOM DEPENDS ON YOU.
L'ÉTAT D'ISRAËL DÉPEND DE MAGEN DAVID ADOM. MAGEN DAVID ADOM DÉPEND DE VOUS.

CMDA's Annual General Meeting

Canadian Magen David Adom Members and Staff.

MONTREAL

National Board members, staff and guests from across Canada met in Montreal the weekend of November 30th and December 1st to attend Canadian Magen David Adom's Annual General Meeting.

The weekend began with the "Welcome Dinner" Saturday evening. Guests were greeted by Michael I. Levine, National President. Consul General of Israel, David Levy brought greetings and the Shaare Zedek's Rabbi Alan Bright recounted a personal and moving story of how, during a trip to Israel, MDA paramedics saved his life and exhibited extreme kindness to his wife and children. The D'Vaar Torah was given by Rabbi Ronnie Fine, Director of Chabad Zichron Kedoshim, and founder of Chabad Lifeline.

Sunday was all business. Raphael Herbst, Senior MDA Paramedic and MDA Canada Desk representative provided an overview of

Magen David Adom. "Life is fragile", he said. He had recently met with an elderly individual who had donated an ambulance because he wanted to leave something behind.

Among the items Raphael talked about were the National Dispatch Centre which, because it is sheltered, can continue to function even in times of escalation, the Simulation Centre, which is a state-of-the-art training facility, the National Blood Centre, automatic external defibrillators, the importance of donor recognition, challenges and opportunities facing Magen David Adom, and MDA's 90th Anniversary which will provide an excellent opportunity for fundraising. In closing he said that he is proud to be associated with CMDA.

Highlights of the past year were provided by National Executive Director, Sidney Benizri, following which an information session, "Appealing to the Next Generation Digitally", was led by Leslie Perez, a communications and marketing specialist.

CMDA National President, Michael I. Levine and Consul General of Israel, David Levy.

Following a well-deserved lunch break, the afternoon session included reports from the chapter representatives and regional directors.

Everyone agreed that MDA's 90th Anniversary is an opportunity not to be missed. Magen David Adom is a "brand" to be proud of, a "brand" that requires visibility, a "brand" that must be continuously promoted.

For the People of Israel

MONTREAL

Members of the Afilalo Family, representing Raissa and Armand Afilalo of Montreal, attended the dedication of an Emergency Medical Scooter donated to the people of Israel in memory of Henri and Georgette Afilalo z'l.

Back row, third from left is Kathy Afilalo (Montreal) and fourth from left, is Raphael Afilalo (Israel).

Henri and Arlene Abitan visit the construction site of the new National Blood Centre.

MDA's newest paramedic.

Handing over the keys.

Even in a State of Emergency

MONTREAL

Although Israel was in a state of emergency and under the highest alert, the dedication of an Emergency Medical Scooter donated to the people of Israel by Arlene and Henri Abitan went on as scheduled.

The Abitans' visit included tours of the National Dispatch Centre in Kiryat Ono, the existing blood centre and a visit to the construction site of the new blood centre in Ramla.

Said Arlene, "We are grateful to Raphael Herbst, MDA Canada Desk representative, and to Professor Eilat Shinar, Director of MDA Blood Services, for taking time away from their duties during a very critical period. Magen David Adom equals efficiency to save lives with the latest technology, devotion and passion!"

Canadian Physicians for Israel

NATIONAL

In November, eight doctors from Canada completed an intensive five-day, 50-hour course at Magen David Adom in Israel. The group included specialists in emergency medicine, internal medicine, neurology, and orthopedic surgery, as well as general practitioners.

These doctors are part of the International Emergency Unit – a unit that continues to grow with participating doctors not only from Canada, but world-wide as well. Their training with MDA enables them to fly to Israel and volunteer with MDA in cases of emergencies or mass casualty events.

The course included shifts on MDA ambulances

and Mobile Intensive Care Units, tours of the National Operations Centre and National Blood Centre, and treating patients during a drill.

Dr. Jason Berman, a course participant, said, "It has been a privilege for us to learn from MDA's instructors and teams and work alongside them so that we can treat Israeli citizens when needed. I am glad that I can see myself as part of this family and I look forward to sharing in Canada the experience I gained in Israel."

Shortly after the physicians returned to Canada, CMDA National Media and Volunteer Director and the program coordinator, Daniel Amzallag, who had remained in Israel, was caught up in the

recent escalation. With dozens of rockets being fired on Israel, Daniel, who is also a paramedic, immediately provided assistance on MDA ambulances.

A Very Special Donation

NATIONAL

(Information provided by Zaki Heller, MDA Spokesperson)

In cases of severe trauma and complex medical emergencies, blood tests, ultrasounds, chest drainages, and other specialized tests are now able to be carried out in Magen David Adom's new Mobile Intensive Care Unit (MICU). Operated in conjunction with Ichilov Medical Centre in Tel Aviv, senior paramedics work alongside experienced physicians.

Donated by Canadian Magen David Adom (CMDA), the unique Mobile Intensive Care Unit was built in Dieppe, New Brunswick, according to the specific needs of Magen David Adom. The enlarged interior allows paramedics and physicians to carry out medical care with advanced medical equipment while en route to the hospital.

The MICU was recently dedicated at a special ceremony in memory of Nechama Rivlin z'l, wife of the President of the State of Israel, His Honourable Reuven (Ruvi) Rivlin. Said President Rivlin, "Nechama was a woman of science. She valued the men and women of medicine very much, worked with them, appreciated the medical teams' work and, above all, she loved people. I'm sure she would be glad to hear about this new MICU with state-of-the-art medical equipment which will literally save lives – a MICU in which MDA paramedics and Ichilov Hospital doctors work side by side."

MDA Director General, Eli Bin, said, "As the national rescue organization in Israel, MDA works tirelessly to provide fast, professional, real-time medical care in the field. This specialized MICU and collaboration with Ichilov Medical Centre will allow us to improve urgent medical response in complex cases and to bring the hospital's emergency room capabilities to the patient."

[L.-R.] MDA Director General, Eli Bin, CMDA Past President, Joseph Amzallag, President of the State of Israel, The Honourable Reuven (Ruvi) Rivlin; Ichilov Hospital Director, Professor Ronnie Gamzu, CMDA Past President, Norton Segal and CMDA National Executive Director, Sidney Benizri

Representing CMDA at the dedication were National Executive Director, Sidney Benizri, and Past Presidents, Joseph Amzallag and Norton Segal. Also present were President Rivlin, Ichilov Hospital Director, Professor Ronnie Gamzu, and MDA Director General, Eli Bin.

A Record-breaking Night

TORONTO

November 21st, 2019 will be remembered as one of the most exceptional events in Canadian Magen David Adom's history. Led by a dedicated team of Special Events Committee volunteers headed by MDA's Central Regional President, *David Meyerowitz*, co-chairs *Mandy Lisus*, *Allison Freedman* and *Barbara Smuskowitz*, the elegant and entertaining 'Honouring our Paramedics' Event set two records: the first, being the largest event ever attended with the participation of over 760 people, and the second in terms of donations which set a new record raised in one night.

Special guest, Michael Aloni, from the hit series 'Shtisel', amused the crowd with fun highlights of his growing up that have led him into his memorable 'Chassidic' role, and the fresh and exciting dynamic sounds of Israel's own *Mayumana* group set the right mood as the entertainment part of the evening.

CMDA was privileged to have *Elana Jacobs* and *Itai Orion*, two visiting paramedics from Israel, who gave an informative and heart-warming presentation about what a typical day in the life of an MDA paramedic is like. Chaim Silberstein, who joined us from Israel, spoke about his daughter Shira who was one of seven Israelis

wounded in a drive-by shooting outside of Ofra last year. Shira who was 7 months pregnant at the time underwent an emergency Caesarian-section, but the baby, unfortunately, did not survive. Chaim told the crowd that without the assistance, speed and professionalism of MDA volunteers and paramedics his daughter would not be alive today.

Consul General of the State of Israel *Galit Baram*, who attended the event with her husband, Deputy Consul General *Nissan Amdur*, spoke about the ever-present challenges Israel is facing, and the vital role Magen David Adom plays in guaranteeing safe, reliable emergency services for the population at all times.

Of special interest was the live-feed directly from MDA's National Dispatch Centre in Israel. Donors were able to track and follow their respective

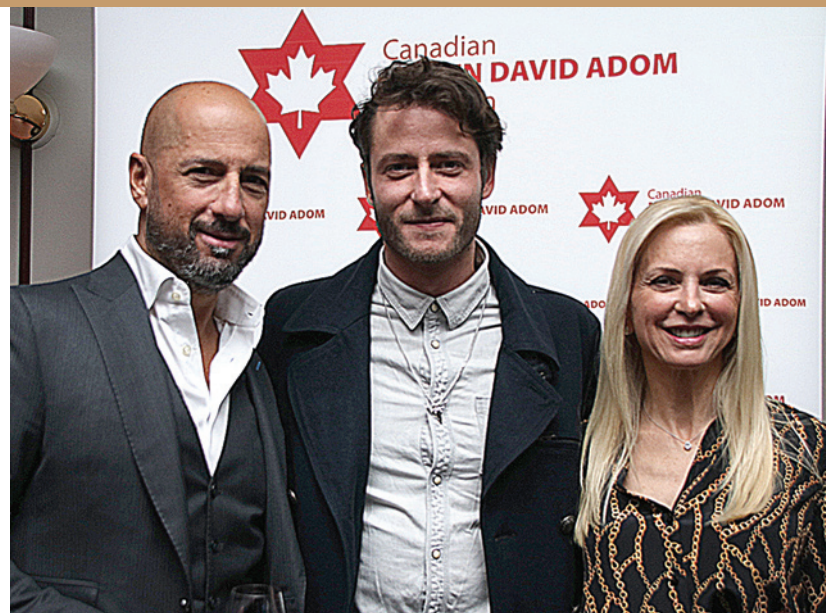

MDA Paramedic Itai Orion, Central Region President David Meyerowitz, Consul General Galit Baram, MDA Paramedic Elana Abrams and Deputy Consul General Nissim Amdur

Arnold and Sharon Recht and Judith Bloom.

MDA Paramedic Elana Abrams and Barbara Smuskowitz.

Graham Rosenberg, Michael Aloni and Audrey Rosenberg.

ambulances in real-time, as they made their way through Israel's streets answering emergency calls. The work of these life-saving vehicles came alive on the screens.

We were most honoured to have the *Fairfull Family* from Ajax, Ontario receive the first annual 'Kol HaKavod Award' for their incredible donation and dedication to CMDA. The family was extremely moved when presented with a special Shofar (Ram's Horn) gift.

Guests also had the opportunity to see and be photographed with a Medi-Cycle graciously donated by *Aaron and Rosemary Waxman and Family* and a Mobile Intensive Care Unit which was situated at the entrance.

On behalf of all people of Israel, we would like extend our profound appreciation to our generous sponsors, donors and friends without

whom this record-breaking event would not have been possible.

We acknowledge and thank *Michael Levine*, CMDA National President, *Sidney Benizri*, CMDA National Executive Director, and *Raphael Herbst*, MDA Senior Paramedic and Canada Desk representative, for their involvement and support, as well as Central Regional Director *Hershel Recht* and Toronto Administrative Coordinator *Iris Ehrent* for their commitment and dedication.

As we begin preparations for Magen David Adom's 90th Anniversary in 2020, we look forward with excitement to our gala next November and to be able to provide our supporters with details.

MDA Senior Paramedic and Canada Desk representative, Raphael Herbst and CMDA National Executive Director, Sidney Benizri.

Western Canada Embraces CMDA

CALGARY

Under the capable leadership of CMDA Western Canada Director, Sharon Fraiman, and input from Calgary Chapter Chair, Leonard Shapiro, there has been a marked increase in events pertaining to Canadian Magen David Adom.

Calgary, Edmonton and Winnipeg have all hosted and/or participated in "First 7 Minutes" events in their cities. Special thanks to paramedic, Don Sharpe, for his excellent hands-on presentations.

Donations are still being received in response to Winnipeg's recent telethon. The telethon, which has become an annual event, is due in large part to Ami Bakerman, CMDA Winnipeg Chapter Chair and National Board member.

Reaching out to various organizations has resulted in awareness events at Calgary's Rotary Club and the Beth Israel Congregation in Edmonton. Future plans include events with John Plantz and "Friends of Israel".

Said Sharon Fraiman, "None of this would be possible without the many groups and synagogue members who are spreading the word and helping CMDA to flourish."

For the Love of Israel

WINNIPEG

Wendy Elgby, a resident of Winnipeg, was recently diagnosed with terminal cancer. Because of their love of Israel, Wendy and her family decided to turn Wendy's illness into a legacy. With help from John Plantz and the staff of Friends of Israel Gospel Ministry, together with Western Region Director, Sharon Fraiman, the family has raised the funds needed to purchase an Emergency Medical Scooter.

Winnipeg residents, Wendy Elgby and her husband, Hans.

Wendy's family considers this gift of a scooter to be a privilege and an honour in helping to support Canadian Magen David Adom and the people of Israel.

First 7-Minute seminar at Beth Tzedec Synagogue.

What Would You Do?

TORONTO

Recent events at the Tree of Life Synagogue in Pittsburgh, as well as incidents on Yonge Street and the Danforth in Toronto, have taught us that we are not immune, that terror can reach our communities.

Statistics show that it takes more than seven minutes for first responders to arrive on the scene of a mass casualty incident. These "First 7 Minutes", when used effectively, can mean the difference between life and death.

Magen David Adom paramedics, Itai Orion and Alana Abrams, visited several schools and synagogues during a recent trip to Toronto. They conducted presentations at Beth Sholom Synagogue, Hamilton Hebrew Academy, Beth Avraham Yoseph Synagogue in Thornhill, and Beth Tzedec Synagogue. They demonstrated that by using basic tools and common sense to ensure safety and to initiate rescue, lives could be saved.

Magen David Adom paramedics are the world's foremost experts on saving lives in catastrophic situations and are happy to share their expertise and knowledge.

Special thanks to Barbara Smuskowitz, CMDA Toronto Chapter Vice President, for her invaluable help in arranging this program.

First 7-Minute seminar at Hamilton Hebrew Academy.

An Awesome Personal Tour

TORONTO

Seymour Prince is pictured with MDA Senior Paramedic and CMDA Canada Desk representative, Raphael Herbst, following a tour of MDA's Dispatch Centre in Kiryat Ono.

[L.-R.] Yarden Aronson, Eli Bensimon, Aiden Goldberg and Shirel Goldberg.

Community Service

TORONTO

You are never too young or too old to learn how to give back and these teenagers have done just that. They have learned well -- from their parents who are members of the CMDA Toronto Chapter. The call went out that help was needed to prepare first aid kits and they responded.

Toda Raba!

TORONTO

Canadian Magen David Adom extends its grateful appreciation to Aaron and Rosemary Waxman & Family for their generosity and support in donating an Emergency Medical Scooter to the people of Israel. This amazing vehicle enables MDA to arrive on the scene in under three minutes and ultimately save lives!

Members of the London Chapter met recently with MDA Central Region Director, Hershel Recht, to plan their 2020 Annual Event which will take place on Sunday, March 29th at 7 PM at the London Jewish Community Centre.

Exciting Things Happening in London

LONDON

After 16 years at the helm of the London Chapter, Naomi Sheinbaum has announced that she will be stepping down after the March 2020 fundraising event. Said Naomi, "I am so grateful to Lorna Brooke and Hazel Friedman, both having served with me as co-chairs. Together, we have made great progress in reaching out and informing the London community about Magen David Adom."

Hazel Friedman will be joined by Thomas Casler as the co-chair. Mr. Casler, a retired teacher, became interested in Magen David Adom a few years ago and has been an active member of the committee. "I am honoured and excited to take on new challenges as co-chair of the London Chapter and work with Hazel Friedman," said Thomas.

If you are interested in getting involved or making a donation, please contact Naomi Sheinbaum at naomi8@sympatico.ca or Hazel Friedman at hazelf@rogers.com.
