ROSH HASHANAH / FALL 2017 / 5778 • NATIONAL EDITION

On Rosh Hashanah we must remember that thousands of people in Israel will celebrate another year thanks to your continuous support

## Accolades for Magen David Adom

It has been a busy summer for Magen David Adom staff, welcoming visitors to the MDA Dispatch Center, the Blood Center and the Jerusalem and Tel Aviv stations.

NATIONAL

Anthony Housefather, MP, and Sidney Margles visit the MDA Dispatch Center in Kiryat Ono.

Following his participation in the Maccabiah Games, Mount Royal Member of Parliament, Anthony Housefather, together with Sidney Margles, an executive member of the Cote Saint-Luc Men's Club, visited the Magen David Adom Dispatch Center in Kiryat Ono, where they met with Yoni Yagodovsky, MDA's Director of International Relations.

Canadian Magen David Adom was delighted to organize this visit as

well as the visits of others who were in Israel this summer. Many thanks to the hard work of MDA Israel staff, Yoni Yagodovsky and Ilan Klein, our Canada Desk representative, who coordinated these visits.

Said Ilan Klein, Canada's Israel Desk representative, "It has been a privilege to meet and greet so many generous donors. Their enthusiastic responses and their admiration of what MDA does is an inspiration to all of us at MDA." ■

ISRAEL CANNOT SURVIVE WITHOUT MDA • MDA CANNOT SURVIVE WITHOUT YOU

## Holiday greetings from Michael I. Levine, National President

Rosh Hashanah marks the start of a new year in the Hebrew calendar. It is a time of reflection and hope for all mankind. It is also a time to give thanks, ask for forgiveness, and to forgive others. It is a time to celebrate loudly, the harvesting of the seeds we have sown, and show our commitment to the State of Israel.

Since 1976, Canadian Magen David Adom has been the sole authorized organization in Canada dedicated to supplying ambulances, medical equipment and supplies, and blood bank products to support the lifesaving efforts of Magen David Adom (MDA) in Israel. All of CMDA's assistance to MDA is possible thanks to the generosity of our donors.

Our hope, our goal, is to be able to continue to provide these services into the future. This will only be possible with your support. As a non-governmental organization and member society of the International Red Cross Red Crescent Society, MDA Israel is completely dependent on donations from the Diaspora around the world.

The people of Israel depend on us – not just in times of national emergency but every minute of every day. When it comes to saving lives and mitigating human suffering, your donation makes all the difference.

**“Whoever saves a single life it is as though he has saved the entire world.”**

Michael I. Levine, National President

THE STATE OF ISRAEL DEPENDS ON MAGEN DAVID ADOM.  
MAGEN DAVID ADOM DEPENDS ON YOU.

## Message de souhaits de la part de Michael I. Levine, Président National

Rosh Hashanah marque le point de départ d'une nouvelle année dans le calendrier hébraïque. C'est une période de réflexion et d'espoir pour toute l'humanité. C'est également le temps de rendre grâces, de demander pardon et de pardonner aux autres. C'est le temps de célébrer avec enthousiasme la récolte des graines que nous avons semées et d'afficher notre engagement envers l'État d'Israël.

Depuis 1976, Magen David Adom Canadien est la seule organisation au Canada dont la mission est de fournir des ambulances, du matériel médical et de l'équipement ainsi que des produits sanguins afin de soutenir les efforts pour sauver des vies entrepris par Magen David en Israël. Toute l'assistance du MDA Canadien au MDA en Israël est rendue possible grâce à la générosité de nos donateurs.

Notre espoir ainsi que notre objectif, c'est d'être en mesure de continuer à fournir ces services dans le futur. Ceci ne sera possible que grâce à votre soutien. En tant qu'ONG et membre associé de la Croix Rouge et du Croissant Rouge, MDA Israël dépend entièrement des dons effectués par la diaspora à travers le monde.

Les citoyens d'Israël dépendent de nous, non seulement lors des périodes d'urgence nationale, mais à chaque moment de la journée. Quand il s'agit de sauver des vies et d'alléger la souffrance humaine, votre don fait la différence.

**« Celui qui sauve une seule vie c'est comme s'il avait sauvé tout un univers »**

## Magen David Adom receives Honorary Doctorate from Bar Ilan University

Bar Ilan University has awarded an honorary doctorate degree to Magen David Adom in recognition of its lifesaving operations. Said University President, Rabbi Daniel HersHKowitz, “Bar Ilan has chosen to grant this degree as a token of appreciation and gratitude. Led by the value of saving lives, MDA encourages thousands of volunteers and employees to engage in community service and assist anyone in need.”

MDA Director General, Eli Bin, accepts the honorary degree on behalf of Magen David Adom from University President, Rabbi Daniel HersHKowitz.

MDA Director General, Eli Bin, thanked Bar Ilan University for choosing Magen David Adom and for the immense respect paid to the MDA family. “Magen David Adom consists

of unique individuals who, together, form the heart and soul of MDA – approximately 15,000 employees and volunteers of all genders, religions and demographics, fully des-

erve this respect. Thanks to them, every resident of Israel knows they have someone to trust in the moment of truth.” ■

# New State-Of-The-Art Blood Centre Project In Israel

During the last Lebanon war, Israel was forced to face the harsh reality that missiles, both from Lebanon and Gaza can easily reach Tel Aviv, putting the entire country's Blood Supply and Services facility in grave danger.

Vulnerable and exposed, the current facility, originally built in the 1980s, is no longer capable of answering the needs of a growing population. In addition, laboratories and added working space are needed with emphasis on new treatment techniques and innovations, as it has become alarmingly clear that the current facilities will not sustain natural disasters such as impending earthquakes, placing Israel's only blood services centre, the life-line of an entire population, in great jeopardy.

It is for all these reasons and more, that we in Canada along with caring friends of Magen David Adom from around the world are now embarking on the most important project campaign ever undertaken - the construction and equipment of a brand new, 21st century state-of-the-art Blood Centre, part of which will be underground. This monumental project will safeguard Israel's medical emergency infrastructure and blood supply against terrorism, cyber-attack and natural disaster guaranteeing the continuation of a safe and rea-

dily-available blood supply to the entire nation's population.

Our objective here in Canada is to play an active role in this international effort like we have been doing for 40 years, and to assist with the funding

of vital and crucial new equipment and supplies both for the current as well as the new Centre, getting it ready for the future. Your vital contributions will enable Israel to remain at the forefront as a world leader in Blood Services. ■

**Please join us on November 5, 2017 as we hold our inaugural Gala event in Toronto when we will be celebrating this crucial milestone with an amazing, exhilarating and memorable evening dedicated towards this life-saving cause.**

# One Good Deed Deserves Another

**Dr. Jason Ohayon, a participant in CMDA's first Physicians' Mission to Israel, again spent time in Israel in July, this time with his family.**

He asked Ilan Klein, CMDA's Canada Desk representative, to arrange a visit to MDA so that his daughter, in particular, could learn how Israeli teenagers help other Israelis.

The visit with high school students was very inspirational and helped enhance their connection to Israel.

Dr. Ohayon's daughter received a special gift and, in return, the Ohayon family have donated a sound system and a ping pong table to MDA for the youth volunteers. ■

# MDA Receives National Award for Quality and Excellence in the Public Sector

(Originally published in *The Yeshiva World*)

Magen David Adom has received the National Award for Quality and Excellence in the Public Sector. Named after Israel's late Prime Minister, Yitzhak Rabin, the award from the Supreme Judicial Committee headed by the Honorable former District Court Judge, Ezra Kama, recognizes MDA's level of quality and excellence in emergency medicine, its quality emergency response, rapid response times, technological capabilities and unique volunteer methods.

MDA's Director General, Eli Bin, in a very moving speech, invited Motke

Wiesel to the stage to accept the award. Mr. Wiesel, who was accompanied by two youth volunteers, is an 88 year old Holocaust survivors and is one of MDA's oldest employees. He serves as Chairman of the Nazi Prisoners' Organization in Jerusalem. In handing Mr. Wiesel the award, Eli Bin said, "It is thanks to you that we excel."

He continued, "We have received this award thanks to our employees and volunteers. They are the vivid spirit, the human factor without which there is no value to innovation and technology. These employees make this organization excellent." ■

## Generously Donated to the People of Israel

Carole and Allen Spector and their family attend the July dedication of the Emergency Medical Scooter they have generously donated to the people of Israel.

## Montreal Mega Mission

The Montreal Mega Mission to Israel, which took place in May, attracted 900 participants, many of whom are CMDA supporters.

With the assistance of CMDA National Director, Sidney Benizri, and MDA Israel personnel, the numerous requests for visits to the MDA Dispatch Center and the MDA Bloomberg Station in Jerusalem were arranged. MDA teams were present at many of the large events. The visits left positive impressions and provided a better understanding of the work being done by Magen David Adom. ■

## Thank You for your Generosity

Thank you to Gisela and André Sipos for their generous donation of an Emergency Medical Scooter to the people of Israel. The scooter has recently joined the fleet of emergency vehicles and is stationed in Migdal Ha-emek in Northern Israel.

# An Evening of Entertainment

[L. -R.] Carole and Allen Spector, Michael Levine.

**Motivated and committed to a cause are words used to describe the members of the Cote Saint-Luc Men's Club. While known for its many social activities, approximately a year ago, a decision was made by its members to do something special for Israel.**

Said Men's Club President, Syd Kronish, who has visited Israel many times, "I met with Sidney Benizri, Canadian Magen David Adom's National Executive Director, who explained what Magen David Adom does. I decided that this is exactly what the Men's Club is looking for."

Thus began months of hard work and preparation by a dedicated committee, culminating in an event which took place on June 27th at the Cote Saint-Luc Aquatic and Community

Centre. The 350 plus guests included CMDA National President, Michael I. Levine, who brought greetings on behalf of CMDA; Cote Saint-Luc Mayor, Mitchell Brownstein, who served as the evening's MC; members of the CSL City Council; D'Arcy McGee MNA, David Birnbaum; and Beth Tikvah Congregation Rabbi Emeritus, Rabbi Dr. Mordechai Zeitz.

Entertainment was provided by Cantor Yossi Pomerantz, accompanied by Joseph Milo, and humorist,

Al Kustanowitz. A video, "Naor's Story", about a young boy who was injured in a terrorist attack and whose life was saved by MDA Israel paramedics, brought tears to many eyes.

The evening was highlighted by the donation of two ambulances and four emergency medical scooters.

One ambulance, displayed at the event, was donated by Fagey and Simon Rossdeutscher and Judith and Harry Rossdeutscher in memory of their families who perished in the Holocaust, and by the Men's Club.

Robert Libman represented Derek and Richard Stern and their families, who have generously donated the other ambulance.

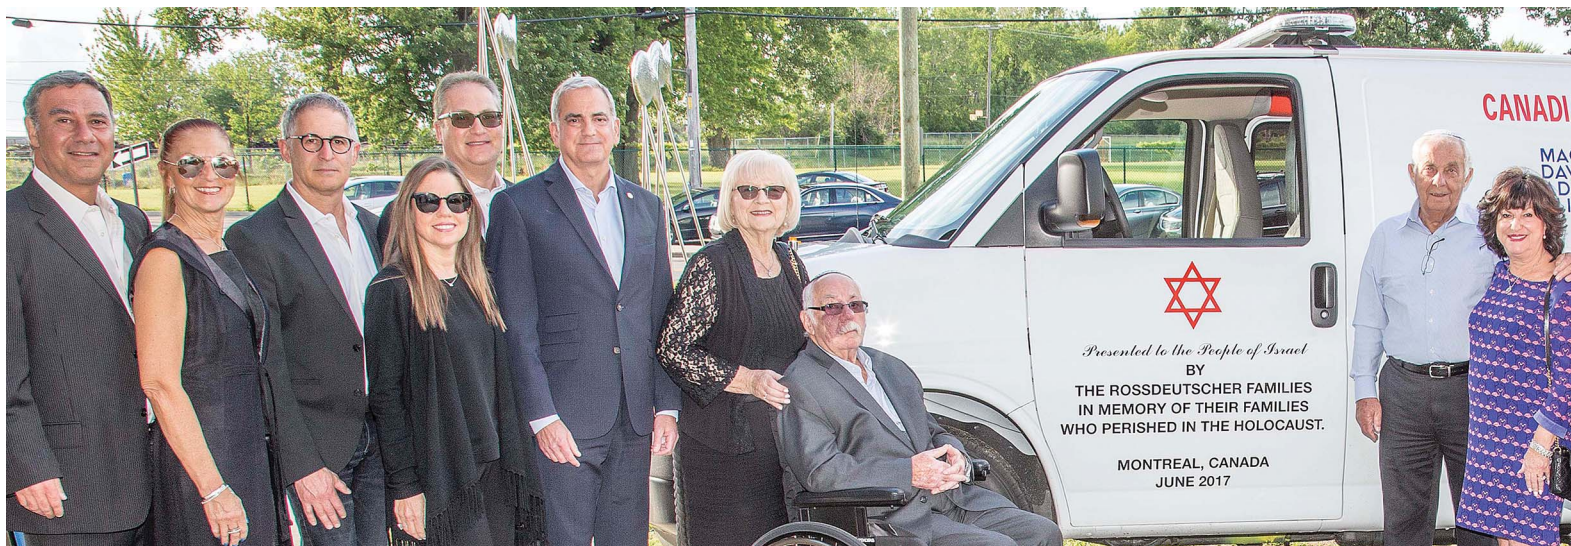

The emergency medical scooters were donated by Sheila and Nat Agensky in memory of Brian

Agensky; Marion and Lazarus Caplan; Elaine and Syd Kronish and Steven, Etti, Samantha and David Kronish; and Carole and Allen Spector and Family. These scooters enable paramedics to reach victims of accidents and attacks in record time, thereby saving lives.

A very generous donation by Harriet and Harry Fried has enabled the purchase of essential major equipment for MDA Israel paramedics.

Said Syd Kronish, "Having recently returned from a visit to Israel where a group of us visited the MDA Dispatch Center, I can tell you that it truly is an amazing organization which responds to all types of emergencies."

"The Cote Saint-Luc Men's Club is itself an amazing organization," said Sidney Benizri, "Working with the

We are grateful to them for having undertaken this initiative and for dedicating themselves to the cause of helping Magen David Adom continue to offer its lifesaving and humanitarian services to anyone in the State of Israel and abroad when called upon to do so."

## Becoming a Paramedic

Training to become an MDA paramedic can be costly – it requires many hours of hands-on practice and study and the actual equipment required by a paramedic in order to fulfill his duties is very expensive.

Two Torontonians have created funds for just this purpose – to help deserving individuals fulfill their dreams to become trained paramedics.

Dr. Stephen Greenberg had already generously donated an ambulance and an emergency medical scooter. When he was visiting Israel last summer, he realized the importance of the lifesaving work done by a paramedic and what it means to the people of Israel.

Sylvia Walt was a trailblazer and one of the founders of the Toronto Chapter. When she passed away in March, her family formed the Sylvia Walt Annual Fund in her memory. "We could think of no better way to keep her memory alive," said a family member.

This is the gift that keeps on giving...and giving...and the people of Israel are the beneficiaries. ■

## Disaster Preparedness, The Israeli Perspective

In this rapidly changing world, Israel is increasingly being recognized as a world leader in disaster preparedness.

In collaboration with DARA (Doctors Against Racism and Anti-Semitism), Canadian Magen David Adom sponsored an informative evening in April at Humber River Hospital which was attended by 150 guests – mainly doctors and health professionals.

They learned about Israel's unique approach to Mass Casualty and Disaster Management from guest speakers, Dr. Eli Yaffe, MDA's Community Deputy General and Haim Rafalowsky, MDA's Disaster Management Officer. Other speakers included Dr. Stanley Herman and Dr. Steve Samuel, Chair, DARA.

Guests of honor representing the Consul General of Israel in Toronto included Irit Stopper, Deputy Consul General, and Jacob Binder, Government Relations Officer. ■

# A Concert For Life

OTTAWA

The Tamir Neshama Choir with Chazzan Daniel Benlolo.

**“Inspiring, heart-warming, such beautiful voices”. These were the sentiments expressed by the more than 300 guests in attendance at “A Concert for Life” which took place in June.**

Chazzan Daniel Benlolo, the Tamir Neshama Choir and Friends, performed at an evening of music in benefit of Canadian Magen David Adom and Canadian Blood Services. The repertoire, which included Hebrew songs, as well as Broadway

and popular songs, had everyone singing along. The dessert reception which followed gave everyone the opportunity to show their appreciation to the choir members.

An added attraction was the MICU which provided good visibility and awareness for the Ottawa community.

Special thanks to Seymour Eisenberg, CMDA Ottawa Chapter President, Daniel Benlolo and the many volunteers who gave so freely of their time.
